

Experimental Nuclear Magnetic Resonance Conference

MANRAO TRAVEL AWARD FOR DIVERSITY APPLICATION FORM

This travel grant supports under-represented individuals interested in experimental NMR. The award, funded by a loyal supporter of the ENC, Mr. Suraj P. Manrao, provides registration for the ENC meeting and up to \$400 toward travel expenses to attend the ENC. Members of African-American, Hispanic-American, Native-American, Pacific Islander, or other ethnic or racial groups under-represented in NMR research will be considered.

Applicants must be citizens or non-citizen nationals of the United States or individuals who have been lawfully admitted for permanent residence in the United States (i.e., in possession of an Alien Registration Receipt Card or some other legal evidence of admission for permanent residence at the time of application). Undergraduates, graduate students, and postdoctoral fellows are eligible. Awardees will be selected according to their academic experience and the relevance and quality of the submitted abstract.

Award funds are intended to support travel to the ENC conference and conference attendance is required.

Recipients must submit a poster abstract through the normal ENC submission process.
