

Paul J. Kanyha

(1956 -2020)

After attending Emory University from 1974 to 1978. He went to University of Florida where he got his Ph.D. under Dr.Wallace Brey in 1983. He joined Nicolet Magnetics in Fremont and stayed when it became GE-NMR. When Bruker bought GE-NMR in 1992, Paul was hired by Tecmag in Houston and became the Sales and Marketing Manager of the company until 2017, when he retired. Paul was never shy of talking about his cancers who finally got his life on Nov 7, 2020 after a 6.5 year battle.
